³ This article contains a preservative to prevent discoloration by algae.

Selecting a Color For Your Roof

To ensure complete satisfaction, please make your final color selection from several full size shingles and view a sample of the product installed on a home. Be sure to look at the color samples of all materials in natural sunlight, at different times of day to ensure that your color choices are complementary. Colors shown in printed materials may not be accurate, and color chips do not reflect the dramatic color blends of the full shingle.
