

Hardie® Reveal® Panel System

Embody a modern aesthetic

Get the look you are after with the solution that offers design flexibility. The Hardie® Reveal® Panel system can be utilized to create an effective modern, durable, panelized look.

A system of components specifically developed for multi-family and light commercial construction. If your project calls for a panelized look — the Hardie Reveal Panel system offers the design flexibility you need.

Beginning with a commercial grade panel developed for multi-family and light commercial applications, the Hardie Reveal Panel system is a complete solution for creating a panelized look. Eliminate the guesswork in creating this look with the Hardie Reveal Panel system, with all parts including panels and trims supplied by James Hardie. Check for availability and call us to request a James Hardie Preferred Installer when specifying the Hardie Reveal Panel system.

Hardie® Reveal® Panel System

Design Freedom

- Horizontal or vertical application
- 7/16" thick, commercial grade panels
- Cleaner look with fewer fasteners (approximately 14-21 per 4' x 8' panel)
- Standard panel size is nominal 4' x 8' and can be cut on-site to desired size
- Panels available with ColorPlus® Technology
- Panels can be cut on-site to desired size

Unique Aesthetic

- Sharp express joint look with deep shadow lines
- Smooth panel look with exposed fasteners
- Trims and fasteners can be field painted or left with a metal finish
- Off-stud jointing solution provides design flexibility

Proven James Hardie Durability

- Engineered for Climate® to stand up to the demands of your project's specific climate
- Commercial panel developed specifically for use in multi-family, mixed use, senior living and light commercial facilities
- Ventilated rain screen assembly incorporates best practices for moisture management
- Proven performance with James Hardie fiber cement panels coupled with durable aluminum trims
