

A Beautiful Finish Has Never Been Easier

A Rich Palette of Exterior Design Options

Use this popular soffit panel to enhance the beauty of eaves, porch ceilings and entry ways. Or to create elegant vertical siding installations. Alliance T4 gives you everything you want in a beautiful, easy-care soffit.

Solid panels create striking accents at entrances and gable ends.

15 popular colors coordinate with all Alside siding, trim and accessories.

Note: Solid and aerated matte available in Glacier White only. Colors are as accurate as printing techniques allow. Make final color selections using actual vinyl samples.

Pertains to Alliance Solid Soffit used as vertical siding. Consult the VSI website at www.vinylsiding.org for a current list of certified products and colors.

ALLIANCE™ T4

Premium Vinyl Soffit

Quality Soffit Systems

A beautiful new look for a classic accent.

Alliance T4 gives you everything you want in a beautiful, easy-care soffit – outstanding appearance, classic details, efficient attic ventilation and solid soffit panels for porch ceilings and vertical siding applications.

Outstanding beauty.

Alliance T4 is loaded with realistic look-of-wood details. Deep V-grooves and a milled-like flat surface create the look of individual bevel-edged boards. A traditional 4" exposure width adds further appeal. Choose from a richly detailed wood grain or a beautiful matte surface texture. A wide choice of low-gloss colors coordinate with all Alside siding, trim and accessories.*

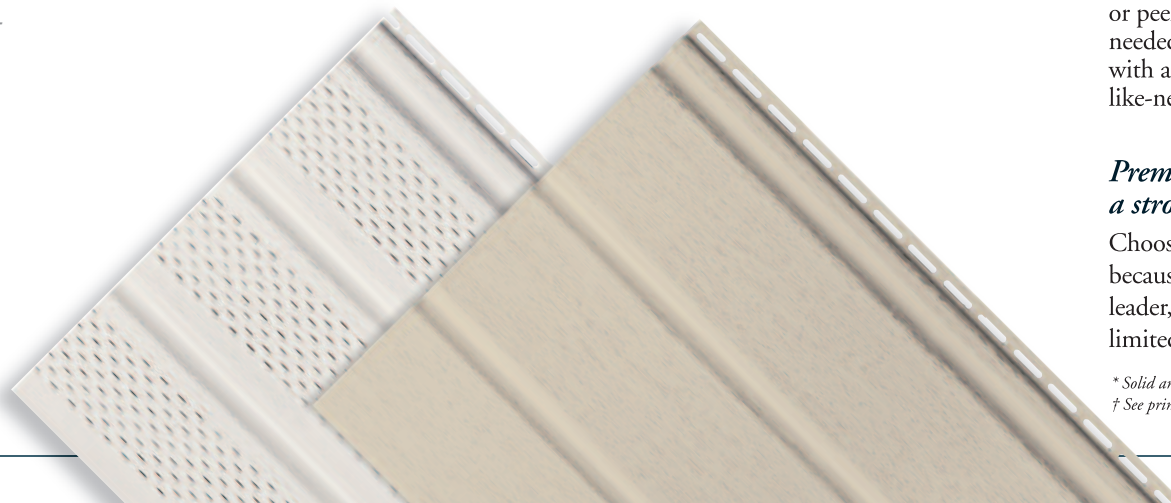

Effective ventilation.

Alliance T4 uses an attractive "outward weave" design to provide air flow needed for attic ventilation. Wood-grained panels are fully vented; smooth panels are center vented.

Striking vertical accents.

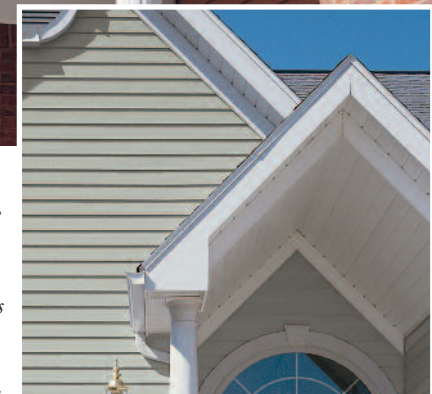

Use solid Alliance T4 panels to accent entrances, gable ends or even entire walls.

Alliance T4 . . . the versatile finishing touch.

Alliance T4 makes it simple to add beautiful, easy-care porch ceilings (above).

Vented panels give eaves a beautiful finishing touch plus they help cool your attic (far left).

Easy-care convenience.

Alliance T4 is made from durable premium vinyl, so it won't warp, rot or peel. No staining or painting is needed either – just rinse occasionally with a garden hose to restore its like-new appearance.

Premium quality, backed by a strong warranty.

Choose Alliance T4 with confidence, because it's made by Alside, a quality leader, and backed by a strong lifetime limited warranty.†

* Solid and aerated matte available in Glacier White only.
† See printed warranty for complete details.
